DIFFERENT SPACES, DIFFERENT NEEDS. EXPANSIVE RANGE.

Venia offers a expansive range of products to cater to different spaces.

With USPs of Sleek design, premium finish yet affordability the **Venia** range of switches have analysed all the common user requirements and translated them as distinctive features to offer more benefits and added value to its users.

SLEEK SWITCH

Venia - the minimalistic and simplistic design of switch. With a thickness of just 2.5 mm it integrates seamlessly with the walls and blends well with your interiors.

SATIN FINISH

High grade, glossy and heat resistant polycarbonate gives you timeless satin finish with curvy plates enhancing the overall visual appearance of modern interiors.

STURDY DESIGN

Specially designed criss-cross grid plates, positive interlocks and firm snap fit locking provides sturdiness giving long service life.

THE SLEEK PERFORMER

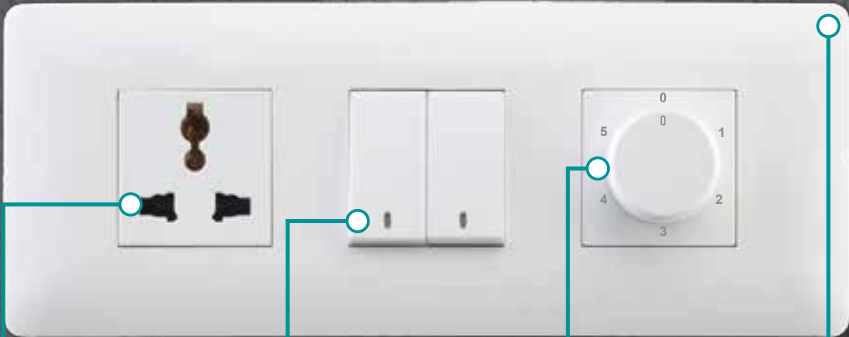

EXCLUSIVE RANGE OF
MODULAR SWITCHES

SWITCH TO
SIMPLICITY

Switches are a inevitable part of our spaces and have become an inseperable part of our decor. From just being a design element they play an important role by performing efficiently and safeguarding the assets. At Wipro North-West we have innovated products and solutions that have changed the ground rules of the industry.

Moving ahead with the legacy, North-West brings to you - **Venia**, a first time experience which gives you the taste of something that is familiar, yet brand new. **Venia** - A switch that is simple, yet premium, fits in less space yet works efficiently to perform better. A true experience of *Simplicity with performance*.

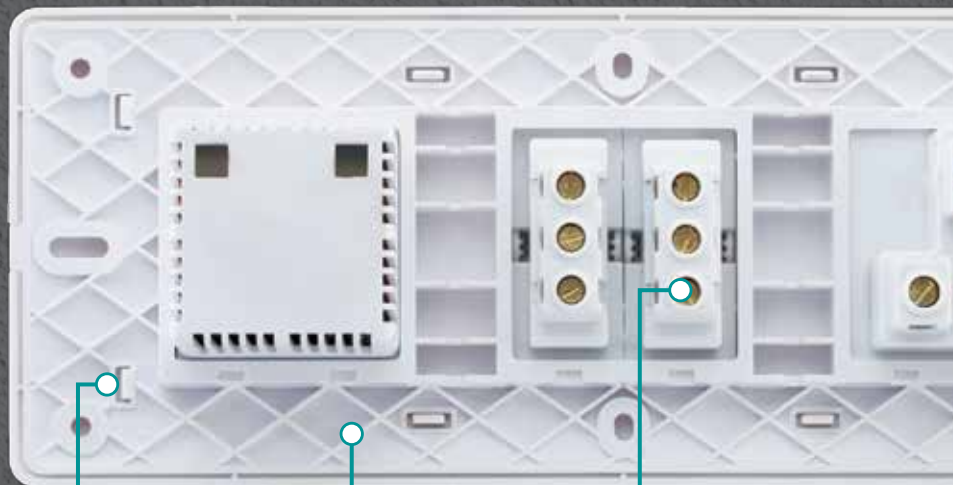

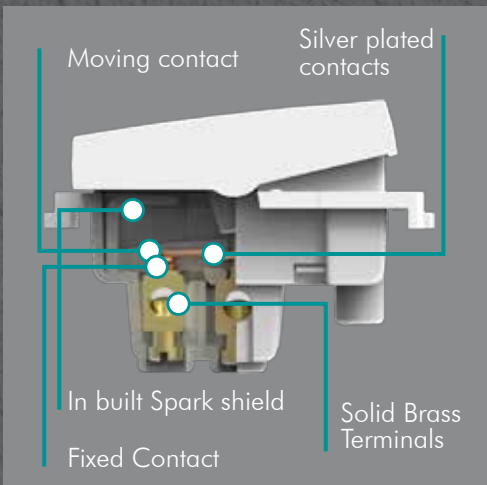

Vertical shutter movement for penless operation

Neon Indicator switches

360 degree rotating hum free fan regulator

Aesthetic curved plate design

Positive Locks for sturdy locking

Criss-cross designed grid plates provides better strength

Shrouded terminals for better safety
